

Comprendre un texte court authentique

Objectif : Comprendre l'organisation et les informations utiles d'un texte court authentique en langue vivante.

JE RETIENS

Efficient reading starts with source, genre, audience and purpose, then uses layout, transparent words and context to locate information without translating everything.

JE COMPRENDS

Savoir

Efficient reading starts with source, genre, audience and purpose, then uses layout, transparent words and context to locate information without translating everything.

Méthode

Preview, skim for topic, scan for requested details, infer unknown words, check pronoun references, then quote the shortest useful evidence.

Exemple

A museum webpage can be understood through headings, opening times, booking verbs and audience information before every adjective is known.
