

Identifier le sens global d'un message oral

Objectif : Comprendre le sens global d'un message oral en langue vivante et en relever les informations essentielles.

JE RETIENS

Listening for gist means identifying speakers, setting, topic, purpose and main stages before focusing on isolated details.

JE COMPRENDS

Savoir

Listening for gist means identifying speakers, setting, topic, purpose and main stages before focusing on isolated details.

Méthode

Preview the task, listen once for context, note key words on a second listening, group clues, infer cautiously, then verify.

Exemple

In an original school podcast, words such as rehearsal, stage and tickets establish a theatre project even when every sentence is not understood.

CRITÈRES DE RÉUSSITE

- ☐ I identify the situation.
- ☐ I select key information.
- ☐ I justify with audible clues.
