

Rédiger un texte court organisé

Objectif : Rédiger un texte bref en langue vivante avec une progression, des connecteurs et une révision autonome.

JE RETIENS

A short organised text has a clear purpose, paragraph progression, linking words, consistent time reference and revision suited to its audience.

JE COMPRENDS

Savoir

A short organised text has a clear purpose, paragraph progression, linking words, consistent time reference and revision suited to its audience.

Méthode

Analyse task and audience, plan three stages, draft with connectors, enrich precise vocabulary, then revise meaning, grammar, spelling and layout separately.

Exemple

A message proposing a school project can move from context, to proposal and benefits, then to a practical request.

CRITÈRES DE RÉUSSITE

- ☐ My text is organised.
- ☐ I use relevant vocabulary.
- ☐ I revise grammar and spelling.
